

Dim Sum Delicacies

Dim Sum – the Cantonese phrase translated means

“Touch the heart”.

This light meal usually served at breakfast or lunch consists of a countless array of dumplings, buns and rolls which are steamed, wok-fried, braised or deep-fried. The skill of making dim sum is revered as a culinary art in its own right.

Our Master Dim Sum Chef, Yang Wan Ho, has established himself as one of the most acclaimed specialists in his native Hong Kong and has since worked in some of the finest venues in Macau, Kuala Lumpur and Bangkok.
